

## IMC Club - New York Chapter Meeting

A great opportunity comes your way when you are offered Super Bowl tickets on the morning of the big game. Luckily, you own your own airplane so you can take advantage of this opportunity and fly yourself and a friend to Dallas in plenty of time to make the kickoff. Everything is perfect, except for the weather in the Dallas area. If you are to make it in for the game, you will have your hands full during the final stages of the flight and will need to make a difficult decision. See you at the game? Click on the link below and register TODAY!

**Directions:** Republic Airport is located off Route 110 near the Control Tower that is easily accessible from the Southern and Northern State Parkways and the LIE.
